

# THE ATLAS

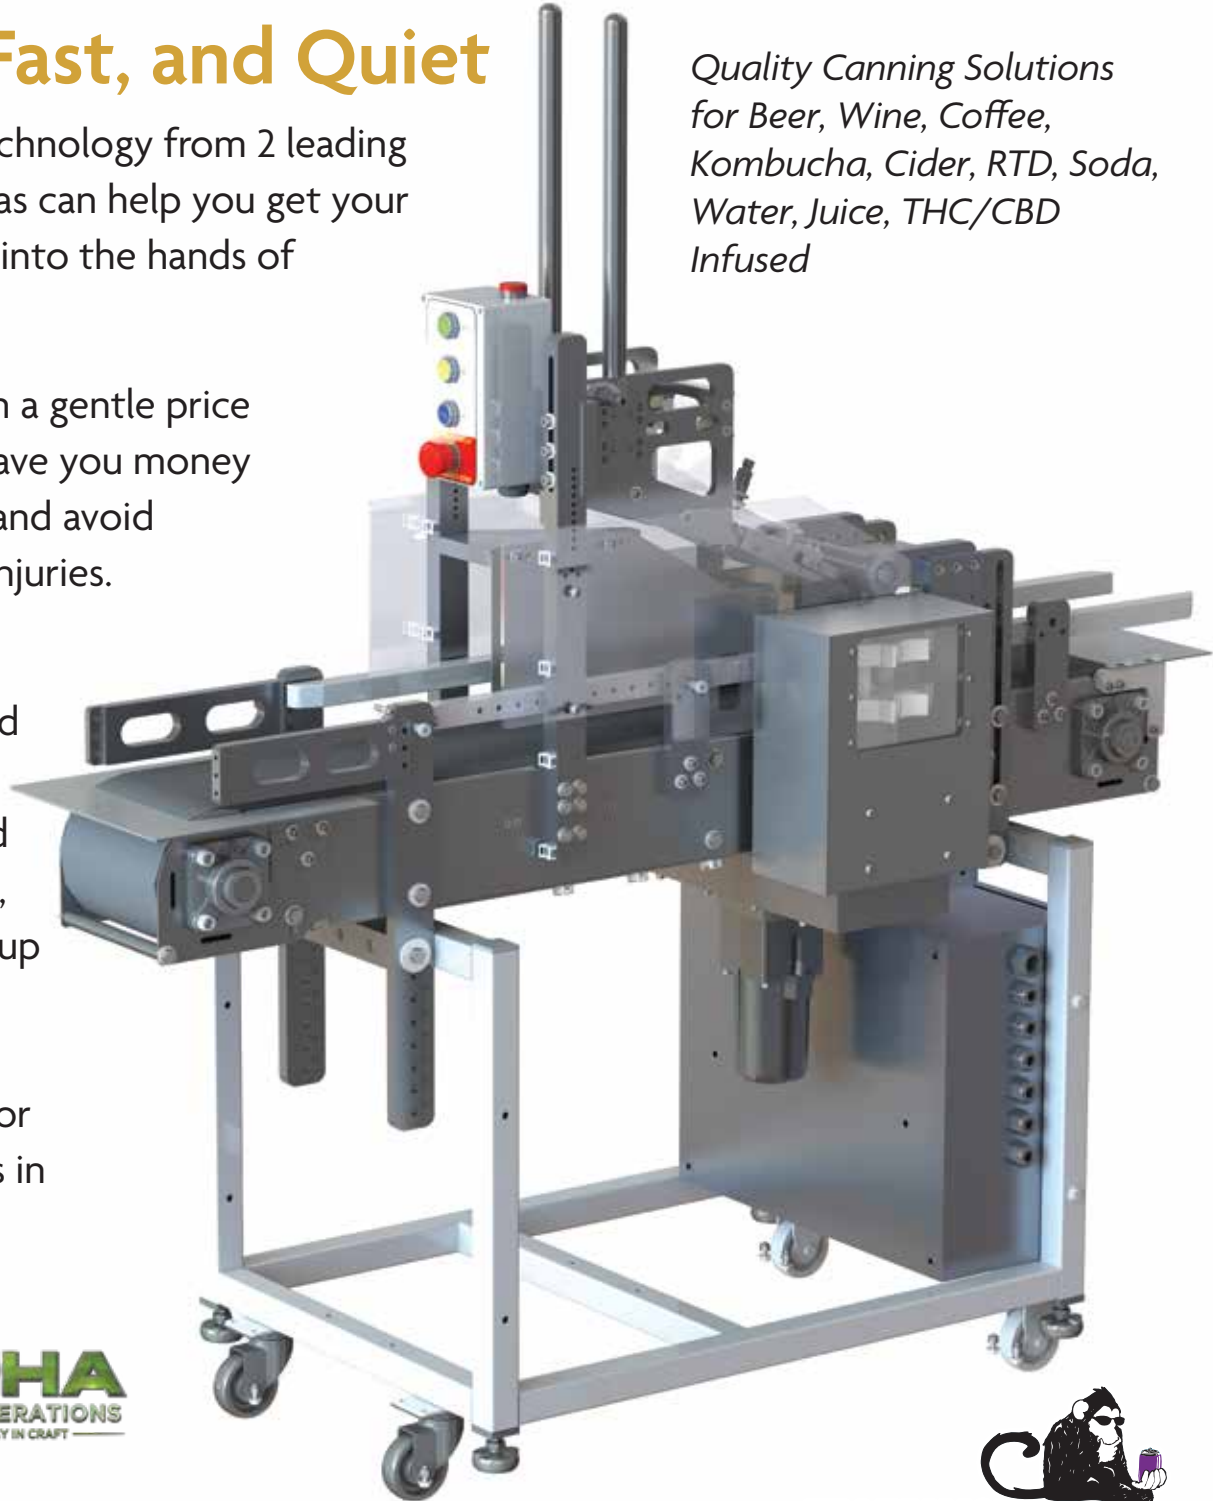

## Smooth, Fast, and Quiet

Using combined technology from 2 leading companies, the Atlas can help you get your craft into cans and into the hands of customers.

Ruggedly built, with a gentle price tag, the Atlas will save you money on pack-out labor and avoid repetitive motion injuries.

At a rate of 100+ cans per minute and an ability to apply PakTech 4-pack and 6-pack can handles, the Atlas will keep up with any Lotus canner and change between can sizes or pack configurations in minutes.
